WHY BOTHER TO ATTEND ?

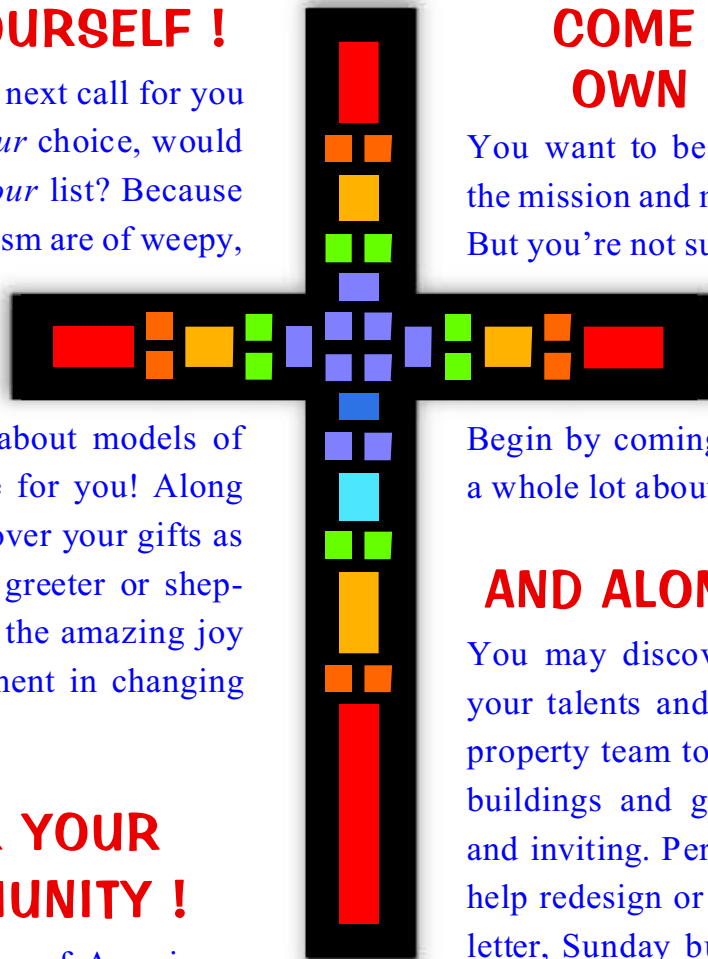

COME FOR YOURSELF !

Wondering what God's next call for you might be? If it were *your* choice, would evangelist be last on *your* list? Because your images of evangelism are of weepy, cash-grubbing orators on TV or loud street-corner demagogues?

Then come and learn about models of evangelism appropriate for you! Along the way, you may discover your gifts as author, editor, planter, greeter or shepherd, and reap some of the amazing joy of being God's instrument in changing other peoples' lives.

COME FOR YOUR OWN COMMUNITY !

A *staggering* percentage of Americans (nationally, 40%) do not attend church. That means so many of the children in your own community are not learning the Lord's Prayer or any of the stories of Jesus. That means all those adults are stuck with being able to believe only in themselves. *You* can share with them the life-saving gift of knowing the security of being able to rely on God.

COME FOR YOUR OWN CHURCH !

You want to become more involved in the mission and ministry of your church? But you're not sure where to begin, what to do, or how to apply your own unique gifts and personal talents.

Begin by coming to this event to learn a whole lot about practical evangelism.

AND ALONG THE WAY..

You may discover new ways to apply your talents and skills by helping your property team to make all of your signs, buildings and grounds more attractive and inviting. Perhaps you will author or help redesign or edit your church newsletter, Sunday bulletins / inserts or web pages, and assist in transforming them from old, maintenance member-oriented organs to new, evangelism-oriented tools.

The possibilities are endless!
